

Special Order
Flower Buckets from Old Friends Farm
2022

We look forward to growing and selecting flowers to accent your special event. Our flowers are special to us, and sharing their beauty with you adds to the glory of growing them! Please view our website to learn more about our farm philosophy. We always strive for selection and quality. People LOVE our flowers!

Please read these pages completely to get a sense of how ordering works and what we offer. This style may or may not be a good fit for your needs.

We offer flowers in bulk for Make-It-Yourself (MIY) arranging. This is where where creativity meets seasonality! We are the best fit for folks that are attracted to what is blooming locally at the time of the event.

Please note: Old Friends Farm does not offer consulting, design work, or personal decor items such as hand-held bouquets, corsages, or boutonnieres. In addition, we do not offer cut-your-own flowers, delivery, or the farm's property as a wedding venue or photo site. We do have a couple employees that do fantastic design work on the side, so please let us know if you want their contact info to work out a private arrangement for their design services.

Process for getting Old Friends Farm flowers for your event

- 1.** Email Old Friends with your order sheet filled in as best as you can. Order sheet is below this info.
- 2:** We will send you a confirmation email.
- 3.** At 2 weeks prior to your pick-up date: Email us any changes to your order. Be sure to include your order name, pick up time & time window, and any changes to your order.
- 4.** One week prior to your order pick-up date—> We will email you an invoice and detailed pick-up location directions. Your pick-up person will need those directions, not just the our street address in order to find our flower cooler!
- 5.** Pick-up date: Prepare a check or money order to leave at the cooler when you pick up your order. We do not accept credit card.

Configuring Your Order Needs

How many buckets should you order? One bucket can make: 5-7 hand held arrangements, 7-10 classic centerpieces, 12-16 loosely filled arrangements, or 40+ simple style/bud vase decor. You can adjust your order 2 weeks prior to your pick-up date. Minimum order is 2 buckets. Is there such a thing as too many flowers?!

Each bucket contains a gorgeous selection of seasonal flowers, foliage, fillers and accents. Any notes you offer on your order form will be considered as we gather your order. This can include a specific color palette, a request for a certain type of flower, stem length preference, or a preference to omit a certain flower type. We will do our best to gather within your preferences!

Tips for MIY Orders

- Gather the supplies you will need. Vase-ware, pruners, wire, ribbon, tarp or buckets for stem trimmings and spreading out your order.
- Delegate & plan who, how and where your flower order will be picked up, arranged, stored, and transported to your event location.
- Flowers keep exceptionally well in a cool place (like an air conditioned room) out of direct sunlight. If you have made boutonnieres and corsages and hair garlands, put them in a plastic container inside a fridge.

TERMS & CONDITIONS

By submitting your flower order, you are agreeing to these Terms and Conditions:

- We do not set certain stem amounts per bulk bucket, nor do we guarantee certain flowers will be included. Color preferences and/or other notes will be used as a guide when we are able to, and we offer no guarantee that we will be able to meet it fully.
- Flower availability changes throughout the year, and the given season's growing conditions. We do not offer consulting regarding what flowers will be included in your buckets. We pride ourselves in having an amazing array.
- Priority is given to flowers that are grown on Old Friends Farm and those from other local growers. Some regional ordering may be necessary in seasonally 'fringe' times or to fill out your bucket's diversity.
- Payment must be received in full at pick-up. We only accept checks or money order as payment. Credit and Debit cannot be used for Special Orders.
- Old Friends Farm is not responsible for any damage to flowers once the flowers are picked up by your party. Please allow ample space and level surface for transporting your flower order, and store them in a cool place, out of direct sunlight until the event.
